<p>A previous application was declined very recently, as was an application to turn this residential property into a children's home.</p> <p>I feel that the extension would not be in keeping with properties in the area due to size and elevation. To extend in this way seems to be indicating that more people are intended to be housed there increasing traffic congestion on an already busy and at times dangerous road to walk and drive on. Any construction vehicles would make the road virtually impassable.</p> <p>My personal view is that the owners are intending to utilise this as a children's home by stealth.</p>
