Subject: FW: 46 Stockhill Street - Judicial Review 2025/ 92608 and 2015 /91871

- I formally write to complain that Kirklees Council has failed in its statutory duty to notify myself as adjacent owner of the above planning application..

The scale of development proposed and approved without consulting me even though I wrote on the previous application.

The planned 1 meter extension from roof ridge and doubling footprint is out of character to the area and my dwelling at 48 Stockhill Street.

It will affect our rights of light and from our first floor and detriment to the setting of the two bungalows that were built together.

We urgently request judicial review of the process for the consented applications.
