Description of Proposed Works

Please describe the proposals to alter, extend or demolish the listed building(s)

Please note that my intention is to completely and sympathetically adhere to the tradition and history and style of the property by keeping all original features and upgrading the previously modernised alterations to ensure that the style and history of the property is thoroughly preserved as follows:

1. New front door, renewal in line with listed building requirements - the current door is modern looking, not inkeeping with the traditional features of the home
2. Remedial work to existing window frames where possible and if not, renewal in line with listed building requirements. Guttering is leaking, needs repair.
3. The current modern fireplace/chimney breast, I would like to look into taking this back to the original by exposing the original fireplace and chimney breast - I will not be removing any of the original features and would look at installing a log burning stove (currently there is a modern gas stove fitted)
4. Kitchen upgrade including tongue and groove wood and retiling and removal of existing modern "spotlights" to be replaced by more sympathetic style inkeeping with the property history
5. Bathroom retiling to replace the modern tile with more traditional, inkeeping with the property
