<p>The title of this planning application is misleading as it states the erection of a 1m fence but the details therein are stating 1.85m, hence the lateness of these comments.</p> <p>This fence detracts from the original design of the area, and is not in keeping with planning guidance of no higher than 1m on the highway.</p> <p>The privacy sought could be provided by a hedging more in keeping with other properties.</p>
