

South Elevation (Rear)

Elevations Scale 1:100

Architectural drawing of the North Elevation (Front) of a house. The drawing shows a gabled roof with a chimney on the right side. The front facade features a large window with horizontal blinds and a smaller window above it. The side elevation shows a gabled roof and a chimney. The drawing is labeled "North Elevation (Front)" and includes a scale bar and a north arrow.

East Elevation (See)

The Lower Ground Floor Plan shows a large rectangular building with a central entrance. The building has a long, narrow shape with a central entrance and two long wings. The plan includes dimensions, a north arrow, and a scale bar. The building is labeled "Lower Ground Floor Plan" and "Garage". The parking area is labeled "Parking". The entrance is labeled "Entrance". The plan also shows a "St." (Street) and a "6" (likely a lot or block number).

Technical drawing of a roof section. The drawing shows a cross-section of a roof structure. A large, irregularly shaped area is labeled "Void". The roof structure is shown as a series of lines forming a sloped surface. A label "Roof Structure" is placed near the sloped surface. The drawing is a black and white line drawing.

Section A-A

Workshop

1/8" = 1'-0"

1/8" = 1'-0"

The ground floor plan of Willow House is a rectangular building with a large central workshop area. To the left of the workshop is a kitchen, an office, and two W.C. (water closets) rooms. To the right of the workshop is a large storage area. The plan includes a front entrance, a side entrance, and a rear entrance. A parking area is located to the right of the building. The plan is labeled with 'Willow House' and 'Ground Floor Plan'.

Willow House

Ground Floor Plan

Scale 1:100

Architectural drawing of the West Elevation (Side) of a building. The drawing shows a long, low structure with a series of windows and a gabled roof. A label "NATURAL LIGHT" is visible on the right side of the drawing.
