Breach address:

Do you live in Kirklees?	Address	House name or number	Street	Town	Postcode
Yes	Lingcroft Associates Park House, Brooke Street, Cleckheaton, BD19 3RY	Park House	Brooke Street	Cleckheaton	BD19 3RY

Details of the breach: The planning permission notice has only just been put up. For this application and the deadline has been noted as the 23rd October to be able to appeal this permission.

Neighbours have not been given clear notice in order to be able to put their objections forward to the planning permission

Who is responsible for the breach?: The extra traffic will be dangerous to our residential street which already has too much traffic as it's used as a short cut for the main road. The noise from the nursery will be unfair to neighbouring properties. We already have a numbers of nurseries close by and in the summer all we can hear is screaming.

We should have had the right to object this planning.
