<p>Work on visibility splay not completed correctly.</p> <p>Not enough parking for 27 Moor Lane, therefore more parking on more lane. Plans for larger houses which means more people cramped in and in essence more cars.</p> <p>Land is unstable which causes issues.</p> <p>Drainage/sewerage issues which will flood the houses already on Moor Lane and Summerdale estate.</p> <p>This planning application cannot be allowed to go ahead without massive changes that do not affect the neighbouring houses and could potentially cause catastrophic damages to their homes.</p>
