<p>I strongly object to any more housing in Shepley. The access to Eastfield for potentially over 200 cars will be a nightmare. The road into Huddersfield is already too busy. Our Drs and schools are already oversubscribed meaning more traffic on the roads as people have to drive for these services. The parking by the shops is too busy without yet more cars. The damage to the wildlife in the Eastfield area would be pure vandalism. At least the vivly estates go straight onto the main road. Like so many other villages, Shepley is being destroyed by too much new building.</p>
