<p>I'd like to object to the plan for new houses in Shepley.</p> <p>The green land they want to build on is an important part of the village, and what makes shepley a nice place to live. The roads are already tight, and this many new houses would add a lot more traffic and make things less safe.</p> <p>It would also put extra pressure on the school and other local services, which are already stretched. Overall, the development feels far too big for Shepley and would change the character of the village</p>
