<p>I strongly object to this development as it will have a great impact on the village. At the moment there are 3 incomplete building sites. This one should not be granted due to access from proposed site through an existing residential estate bringing a massive increase in traffic.</p> <ol style="list-style-type: none">1. Heavy plant driving along narrow roads / increase in excess of 200 cars.2. Danger to children/ animals/ adults due to large / increased traffic3. Loss of environment for birds / bats / deer which are all seen in this area.4. Lack of amenities i.e schools doctors. Dentists. Hospitals.5. Loss of more than 200 jobs as it will see the demise of Shepley Springs, a long standing business that has been at the hub of the village. <p>This development will be strongly opposed by our village community!!</p>
