<p>The planning proposal is un realistic it's on a green belt land and is not fit to support the amount of houses. The road access planned is illegal as the exit route is a danger to anyone trying to exit via Lea drive. In icy snowy weather the incline is above any highway legal requirement for traffic leaving the estate !</p> <p>Also the village does not have a supermarket as advertised by banks housing we have a small local coop. The school doctor and dentist are unable to cope with any more custom / children as it is already at full capacity with the village as it stands. The land is a source of shepley spring this could detriment the business supply. Also Yorkshire water have also disclosed it is not possible to supply water to the site.</p>
