<p>I live on Knowle Park Avenue with my parents and sister and I often play out on my bike and if you build these houses there will be lots of cars coming up and down the street and I'll feel less safe as if there are lots of cars, there will be a larger possibility I will get knocked off my bike.</p> <p>Also, if there's lots of cars it will be very noisy when me and my family are trying to relax or get to sleep.</p>
