| <p>The surrounding roads are not sufficient to cope with the amount of traffic. The 1 way system is not a safe option the corners are difficult to access the main road as it is. The safety of all who live on Eastfield and Lea Drive will be effected by additional noise and traffic. We will have less privacy and our lovely, quiet street will be over run with additional cars, approximately 2 additional cars for ever house they build. We need to conserve our village and protect our home.</p> | |
