<p>This development is going to increase the traffic around Shepley considerably in what is already a very busy and often congested area as I am very aware of having lived beside the busy Penistone road for over 20 years. There is only one small coop in the village so all residents will need to travel for shopping. The doctors surgery is vastly oversubscribed, with great difficulty being experienced getting appointments. There has already been two large developments in the area, another is going to make Shepley like a small town but with no suitable facilities. WE DO NOT WANT THIS DEVELOPEMENT. in this very unsuitable place both during and after construction.</p>
