<p>I object to new building of more houses in green land in shepley and surrounding villages. It will be so detrimental to the landscape..nature...the roads..the schools..the doctors...which are over used already.</p> <p>Green belt has to be protected for the future for our children and grand children. Nature is important for every living being and creatire.</p> <p>Many brown land sites and un used building are in the area. Use these sites. Not Green Belt Land!</p>
