<p>I am an employee at Shepley Spring and this development is putting jobs at risk. The company has already ceased investment in the Shepley site until the application is refused.</p> <p>The Knowle is a very dangerous junction. I was involved in a car accident here on Monday 7th September 2020. Fortunately nobody was killed but a car was written off and I can provide evidence of this.</p> <p>Lea drive is extremely steep and even more dangerous than The Knowle. I don't use it in the downhill direction in cold and slippery conditions. If my accident had been repeated here then a car could have been pushed over the wall across the A629 where the drop is huge.</p>
