<p>I believe this development will spoil many parts of what makes Shepley an idyllic village for everyone that lives there.</p> <p>The proposed land is green belt & this will ruin the countryside and endanger many animals within the woods next to the proposed development.</p> <p>The access to this new estate is proposed through a current estate which will effect not only traffic flow but more importantly the allowance of children to play on this current safe estate.</p> <p>Having being brought up the village and still spend a lot of time with family there this development will not bring any positives to the village but instead take away more of its charm for current families and ruin the landscape, scenery and wildlife which makes the village so special.</p>
