<p>My objection is that Shepley is a rural village and this will be the third new estate built in the last five years all feeding on to the same main road Penistone Road. With one of these new estates the builder has gone bust with no street lighting or play area installed so there were no off-set benefits for either the new householders or the older residents.</p> <p>As I understand it this area is Green Belt and is a sweeping attractive field up to the War Memorial and the access roads are too small for extra traffic generated.</p>
