<p>I'm objecting to the one way system on Lea Drive and Eastfield as this will be very dangerous in winter with snow and ice, Lea Drive is a steep incline straight on to the main road could cause an accident. Everyone uses The Knowl as this is a flat road.</p> <p>I object to yellow lines on Eastfield as my dad has a blue badge and uses a wheelchair. The drive is narrow and cannot get wheelchair pass the car therefore I have to park on the road outside the house. This could make my dad housebound.</p> <p>Parking for Shepley school is very limited so cars park on Lea Dive and Stonecroft Gardens this development will create more parked cars making unsafe for children crossing the road.</p> <p>Shepley school will need to have more classrooms for the additional children</p> <p>More people registering at an already busy doctors</p> <p>This is a green belt area</p> <p>Noise and dust</p> <p>There is already a new housing development on the main road still in progress.</p>
