| <p>The local infrastructure such as doctors, dentist, schools, sewage, parking and transport links will not support this development.</p> <p>The roads around Eastfield will not support the heavy builders vehicles and the suggested one way system is ludicrous and dangerous as is the access and exit on to the busy main road.</p> <p>Not to mention this is Green Belt land and should not be used for this purpose due to the fact it will not have any improvements to the local infrastructure, in fact the opposite!</p> <p>I am concerned about the effect it will have on Shepley Spring and the possible contamination of their water source, this company is an asset to Shepley employing over 100 people.</p> | |
