<p>I walk from my house, across Lea drive and down to the bus stop at the knowle to get the bus to school. I dont want there to be another big housing estate, the road will be crowded and it wont be as safe to walk. There will be much more traffic using the road. The school bus is full, theres no more room if so many more kids move into new houses.</p> <p>We can see the field from our house and it would spoil the view to look at more houses. Just keep our village the way it is</p>
