<p>We do not need another development in Shepley and certainly not on greenfield sites. Shepley does not have the infrastructure to cope with the number of people, cars etc that 110 houses will bring. The village is overcrowded as it is with parking around the shops a massive problem not to mention access to doctors and dentists etc. The roads through and around Shepley can barely cope as it is and adding more traffic will only result in more accidents and congestion.</p> <p>we should also be keeping our green spaces and considering the wildlife that call them home and have these spaces for our families to enjoy.</p>
