<p>Whilst I believe that housing is needed across Kirklees somewhere the size of Shepley can not continue to sustain the increase in the number of houses being built with no additional infrastructure.</p> <p>The traffic through the village is already super challenging. Increasing the number of cars can not be facilitated without further road development.</p> <p>The centre of the village parking for the co-op and cafe impossible. The road is also becoming almost impassable with regular blocks on this access to the village.</p>
