<p>I would like to raise a strong objection to this proposed planning application.</p> <p>The erosion of greenbelt has an everlasting impact upon the landscape of our lovely village. Greenbelt is designated specifically to preserve the character of an area and to protect our wildlife and their natural habitat. It's would be perverse for this area to be even considered a suitable site for such a large development and even more perverse for Kirklees council to allow such a development to go ahead.</p> <p>Our greenbelt land should be preserved at all costs, for all, forever. Or, at the very least, until all other lands types are used first.</p>
