I have significant concerns on the impact this proposed development will have on the village. Specifically: 1. Loss of green belt land (this land cannot be reasonably reclassified as grey belt) 2. Impact on biodiversity and environment, both during construction and after 3. Impact on local business (specifically, potential impact to water quality for Shepley Spring) 4. Suitability of access (Lea Drive/Abbey Road junction is challenging with the existing level of traffic) 5. Capacity of local services - schools, GP, etc. (in line with the General Data Protection Regulations (GDPR) please remove my name, e-mail address, telephone number and signature prior to publication)
