Further to my previous email in relation to planning application 2025/92776 these are my objections  
The infrastructure in Shepley does not support the building of new houses  
eg there is no post office  
there is only 1 small shop  
the bus service is poor  
the school is oversubscribed as is the doctors  
In addition the proposal to make the entrance to the estate as a one way system could cause chaos particularly in bad weather.  
I am. at 30 Lea Drive HD88HA
