<p>I have lived in Shepley 'village' for 13 yrs, during which the village has grown exponentially to the community services provided. While I accept that a certain level of housing must be provided for the local community/younger people this current application is appears excessive and will lead and add to already busy roads and parking issues within the community. In addition to pressure on local GP services are a real concern. This is a village and this development would diminish not enhance Shepley as a community. I object to this planning application.</p>
