<p>I have recently had a child. My wife and i were looking for a nursery place before my child was born. After viewing a number, we responded. Multiple places were already fully booked over a year in advance before my child was even born.</p> <p>Adding this many houses to the area ontop of the other 100 in vivly will add 20% to the population on the village. The local area cannot take this.</p> <p>I object strongly.</p> <p>Road congestion, all services etc cannot service the people we have well let alone what is planned.</p> <p>This will be the 4th new housing estate in recent years, 1 went bust, one has already stalled and one is in financial straights. No one in their right mind would add more houses to this. It isnt wanted and isnt needed.</p>
