DEAR SIRS,

I'm writing with REGARD TO THE PLANNING APPLICATION IN SHEPLEY, HUDDERSFIELD AT THE END OF EASTFIELD OFF LEA DRIVE, SHEPLEY, HUDDERSFIELD, HD8

I WOULD LIKE TO STATE I'M TOTALLY AGAINST SUCH A NEW DEVELOPMENT AS THERE IS ALREADY A LARGE AREA IN SHEPLEY ALONGSIDE THE A629 AT THE OPPOSITE SIDE OF THE ROAD TO THE 'MALTINGS' STILL IN PROGRESS.

IF THE NEW PROPOSED SITE AT EASTFIELD WERE TO GO AHEAD OUR SMALL VILLAGE WOULD BE LIKE URBAN SPRALL.

- HOW WOULD THE JUNIOR/INFANTS SCHOOL BE EXPECTED TO HAVE PLACES FOR THE NEW FAMILIES
- WOULD THE DOCTORS SURGERY BE ABLE TO ACCOMMODATE THE LARGE NUMBER OF NEW PATIENTS AS IT'S ALLREADY DIFFICULT TO GET AN APPOINTMENT.
- HUNDREDS OF EXTRA CARS USING LEA DRIVE, EASTFIELD AND THE KNOWLE DAILY
- THE GROUND WORKS AND DIGGING COULD AFFECT SHEPLEY SPRING WATER COMPANY AS THEIR PRODUCT RELIES ON THE SPRING WATER FROM THAT AREA OF SHEPLEY AND PUT JOBS AT RISK IF THEY CAN'T GET THE QUALITY OF SPRING WATER FROM THIS SITE.

I AM THEREFORE AGAINST THE DEVELOPMENT OF THIS AREA FOR AN ESTATE AND IT SHOULD BE KEPT AS GREEN FIELDS.

YOURS FAITHFULLY
