<p>The site is Green Belt land and does not meet the criteria for exceptions. There are already other ongoing major housing developments (Taylors Green and Vivly) in the village and no corresponding improvements to infrastructure/services. We are already experiencing increased traffic congestion and thoughtless parking in Marsh Lane/Station Road near the Co-op and the existing main roads have been damaged by construction traffic. Another development will significantly alter the village character and adversely impact the woodland and field habitats.</p>
