<p>I object strongly ,to the proposed site at Eastfields Shepley. As already there are 2 sites still under Construction if they give permission for this proposed site, when will it stop.Already the schools, Doctors Surgery and Dentist surgery are at Capacity .Also a massive rise in Traffic Movements,everyday,Also with building sites comes HGV vehicles diggers trucks which will put immense wear and tear on the road surfaces also with the proposed one way system would bring more chances of Accidents ,Then lots of subsequent temporary traffic lights causing massive traffic lights, Plus our village has a far from adequate bus service Then a lot of school buses taking lots of children to Schools to and from aged between 10 to 16 ,Nowadays there are a lot of impatient drivers and speeding drivers ,</p>
