<p>There are so many reasons why this development should not go ahead. The traffic congestion around Lea Drive, Stonecroft Gardens will be dangerous, if not fatal. It is a major dropping off point for Shepley First School. The school will be unable to cope with the extra children. Neither will the doctors or dentists. Parking around the Coop is impossible now, cannot imagine what it will be like with more cars. The effects on Shepley Spring will be a disaster. The loss of 130 jobs would be a tragedy. They have always done so much to support the village.</p> <p>Shepley is a really special village. It has expanded so much since I moved here over thirty years ago. It needs to stay a village and not become just a continuation of a houses going from Shepley to Huddersfield. It will lose its identity.</p>
