<p>As a Parish councillor representing Shepley for 20 years I strongly object to having our village ruined by such a huge development on our green agricultural land. Traffic is already too much. The proposed emergence from Lea Drive of an extra one or two hundred cars trying to access the main Abbey Road is bad enough but winter conditions can make it treacherous or impossible. But in any case no one living in our small village wants to live in a town which is what it will become if this further development goes through, followed by others once our sacred green belt is vetoed.</p>
