| <p>I don't want the new houses to be built at the end of my road. There are already loads of cars parked outside the shop all the time, and Mummy always says she worries about us being safe when we walk past. If even more cars come down our street it will be too busy and scary for kids.</p> <p>I heard there might be a new park, but we already have two parks in the village. I'm not excited about that. I like playing football on our road because it's quiet and safe, and I can play with my brother and my friends. If lots of cars start using our street, I won't be able to play outside anymore.</p> <p>I just want our road to stay safe for children.</p> | |
