<p>Our son lives in the Lea Drive/Knowle Park Avenue estate so we frequently visit. The street provides a safe place for our young grandchildren to play outside with very few numbers of passing cars. I fear that should all the proposed houses get built then my grandchildren's safety may be jeopardised.</p> <p>I also witness how busy the road gets between Lea drive and Stone Croft Gardens when it is school drop off or finish time. With all the young children about and the additional traffic, there is a much greater risk of an accident.</p> <p>Please consider rejecting the application to build this unnecessary estate.</p>
