<p>I am most concerned about this proposal. I have lived in Shepley for 40 years. My main concerns are:</p> <ul style="list-style-type: none"><li>- How will the roads, schools, GP surgery and shops cope with the increase in population (already increased with the two new housing estates off Abbey Road)</li><li>- What impact will this development have on Shepley Spring and the drainage system's so close to their bore hole. If this factory was to close it would have a huge impact on the village as it is our largest employer.</li></ul>
