Subject: Proposed Development on Knowle Park Avenue and Stonecroft Gardens, Shepley

Dear Sirs,

I am writing to object and oppose the above building development proposal. This is GREENBELT LAND, first and foremost. Shepley is already a large village with considerable development still ongoing on the A629. There is already too much traffic on the village roads, with parking being difficult at the best of times. It would also badly affect all the facilities we have in the village.

Consideration should be given to the people who already live here as well as to the environment. Once GREENBELT LAND is concreted over it will be lost forever.

19 Fox Royd,

Shepley
