Dear Louise

I am writing to submit an objection on the above. My name is \_\_\_\_\_ and I am \_\_\_\_\_ years old and live at \_\_\_\_\_ . (Please keep my name and address anonymous)

I enjoy riding my bike around Stonecroft gardens / Lea Drive / Easfield and the knowle. If this planning application is approved I will no longer be able to play outside in these areas on my bike as there will be too many cars and it won't be safe for me. As the roads are usually quiet now I can also play with my friends outside but if 100 houses are built it won't allow me to do this.

I am also at Shepley school and the classes are already full so there isn't any room for any more children.

I also struggle to get doctors appointments and with no extra funding for the doctors and an extra 100 houses I'll struggle even further to get appointments.

Please object to the planning so we can keep our green spaces to allow myself and other children to continue to play outside locally to home.

Thanks
