<p>I wish to object most strongly to this proposed planning application.</p> <p>If this development went ahead:-</p> <p>It would cause a massive increase in traffic for all roads in and around Shepley.</p> <p>It would cause chaos and danger on local roads during construction, which will likely last for many years.</p> <p>The access to the site is totally unsuitable for the increased volume of traffic it would create.</p> <p>It would cause overcrowding in our school and health centre.</p> <p>It would cause destruction of a vital green space and habitat, which we will never get back.</p> <p>It is totally unnecessary - there have been so many new houses built on huge new developments in local areas.</p>
