<p>I am objecting to this planning application because of the access to the proposed development.</p> <p>I live on Lea Drive so have knowledge of the treacherous conditions if the only exit to the A629 in winter was down the steep slope, from Lea Drive.</p> <p>In snowy conditions it's like an ice rink. Fortunately residents can exit via the Knowle to avoid skidding into the main road.</p> <p>The one way system suggested is completely unsafe and unworkable.</p> <p>Two way traffic for another 100 houses and the development vehicles is also not suitable the roads involved are not designed for this amount of traffic. Many people park on the road side, children play on the street delivery vans come and go. Parents park when dropping children off at school. Impossible!!</p>
