<p>Approval of this application will cause extreme traffic problems along the narrow roads in this residential area which can already be difficult to negotiate.</p> <p>There are many elderly residents on this estate who especially will be affected by the disturbance during construction and the following occupation of new housing.</p> <p>The area is already listed on the Local Plan as in the Green Belt and because this proposal hugely affects this listing it surely cannot be allowed during the currency of Local Plan?</p> <p>I live out of the area but regularly visit elderly relatives on Eastfield and can fully understand the devastation that would be caused by the "development" of this land. This application must not be approved under any circumstance.</p>
