<p>The highways for another 110 dwellings with all the cars that growing families will accumulate along with all the visitors, delivery vehicles etc will have a huge impact on the existing housing estate built around 50yrs ago.</p> <p>I feel a much smaller scheme that is built on the existing farm buildings & hard standing would be more appropriate in this location, adding less stress to the existing housing estate, local services and schooling rather than encroaching onto the GREEN BELT.</p> <p>At least the other 2 recent larger developments in shepley were accessed directly off Abbey road as were 2 large developments currently being built on penistone rd fenay bridge, not through an existing estate.</p>
