Subject: Shepley housing

CAUTION: External email. Do not click links or open attachments unless you recognize the sender and know the content is safe.

I wish to object to this development as Shepley is already overcrowded. The doctors and schools are already full. But the worst is the amount of traffic going through the village and the entrance on eastfield. The road is built for a small village and is too narrow for any heavy trucks. Lots of children live around that area Sent from my iPhone
