Address:

Reasons:

201 Newmill Road HD9 7AL

I support the creation of around 120 energy efficient homes to meet local needs.

I support the inclusion of a wide range of high-quality, well-designed homes to reflect local housing demand.

I support the delivery of 35% affordable housing as part of the development.

I support new habitat creation and green corridors rich with trees and hedgerows.

I support the significant investment into Shepley - helping to maintain local economic growth for future years.
