Subject: Objection to Planned housing on Eastfield Shepley app no. 2025/60/92776/E

CAUTION: External email. Do not click links or open attachments unless you recognize the sender and know the content is safe.

Dear Sir/Madam,

As a resident of Shepley, I am
writing to object to the proposed housing development on farm land off Eastfield, Shepley.

This proposed project will place even more pressure on the existing infrastructure of Shepley village, traffic congestion, water and sewerage problems, local school capacity, it's also a threat to Shepley green belt which seems to be disappearing at an alarming rate.

Building firms see Shepley as an area to make vast profits and then disappear without contributing anything to the village infrastructure making life more difficult for existing residents.

Please take this email as an official objection to the planned development application number 2025/60/92776/E

Kind regards
