Subject: Shepley Fields Forever

CAUTION: External email. Do not click links or open attachments unless you recognize the sender and know the content is safe.

Dear Sir/Madam,

I would like to voice my strong objection to the proposed housing development on Shepley Fields on the grounds that our small village simply cannot support the extra traffic associated with so many new homes.

Also, and very importantly, this land is greenbelt. What a tragedy if this is allowed to go ahead and part of our heritage is lost forever.

Lea Drive is very congested at school drop off and pick up times, as this would be the only access to the new estate, it puts both pedestrians, including school children and other road users at risk. The number of lorries already speeding down Abbey Road would be increased considerably.

There seem to be many flawed aspects to this proposal, including the ill thought out strain on the already overstretched Victorian sewage system.

I sincerely hope this development never goes ahead as it will change the face of a lovely village forever.

Yours sincerely,

1 The Maltings, Shepley, Huddersfield, HD88FA
