Good Afternoon,

Just giving a heads up on our proposals to remove 3 x ash trees suffering with ash dieback over the carriageway in Edgerton Cemetery. Photos and map attached. The trees are within the Conservation Area, although I think I may have just spied that T72 may be part of a group TPO? Unfortunately, Kompass isn't working at the moment, can you confirm whether or not this is under TPO for me please? If so I'll have to do an application.

Many thanks

Phil
