

Site Plan: Not to scale

GENERAL NOTES

Do not scale from this drawing.
Only work to written dimensions.
Drawing is for planning purposes only not for construction.
All site dimensions shall be verified by the Contractor on site prior to commencing any works.
All contractors should ascertain the location of all underground services/utilities before undertaking any work and conflicts resolved.
It is assumed all work will be carried out by an experienced competent contractor working to an approved method statement.
Topographical survey dated 2024 received from Marshall's 22/05/2025
