This is a residential street with alot of families and elderly people living there. This is NOT the street for a childrens home. There are cars already parked on both sides of the road, mainly parking on the pavement and adding more cars (regardless of a driveway) is going to create more congestion. Working within public services, I do not want this in the area that I live, possibilities of trouble, police attendance, drugs, anti social behaviour etc. Residents want and should expect to be able to live in peace with no thought of potential trouble disrupting our lives
