Subject: 2025/92887 at location Part of former St Luke's Hospital site, Blackmoorfoot Road, Crosland Moor, Huddersfield, HD4 5RA

I understand that this is to review the discharge of conditions 8, 13, and 24 for 2023/62/91405/W.

Condition 8 – CEMP Biodiversity

The CEMP - Biodiversity is acceptable and in line with the requirements of the condition.

Condition 8 is met.

Condition 13 – BEMP

The BEMP is acceptable and in line with the requirements of the condition.

Condition 13 is met.

Condition 24 – Lighting

The external lighting assessment appears to be unavailable for review (the covering letter seems to be place of what is labelled as the external lighting assessment). If this can be provided so review can be completed.

Condition 24 is not yet met.

Many thanks,
Katie
